ACADEMIC BACKGROUND

BS Information Technology
De La Salle Lipa
2020-PRESENT

Science Technology Engineering and Mathematics [STEM]
Senior High School
2018 – 2020

Junior High School
La Consolacion College Tanauan
2014 – 2018

SKILLS

* Programming Languages [C++, Python]
* Low Code Development [ZOHO Creator]
* Markup Languages [HTML, CSS]
* Database Management [MySQL, MS Access]
* Operating Systems [Kali Linux, Windows Server 2012]
* Project Management
* Robotic Process Automation [UiPath Studio]
* Cisco Packet Tracer
* Virtual Box
* Enterprise Resource Planning [SAP S/4HANA, SAP Business One]
* Ethical Hacking [Wireshark, Ettercap]
* Documentation and Design [MS Office, Google Workspace, Canva]

CERTIFICATIONS

Introduction to Cybersecurity
Cisco
AUGUST 2023

SAP Certified Application Associate – SAP Business One
FIT Academy
DECEMBER 2022

CompTIA IT Fundamentals (ITF+)
CompTIA
JULY 2022

About Me

An Information Technology student who is eager and driven for continuous learning and striving on staying at the forefront of emerging trends in the dynamic technology landscape. My ability to collaborate with a team, to organize and facilitate programs and activities, to communicate concepts effectively, and approach challenges with a strategic perspective sets me apart and have contributed significantly in enhancing my interpersonal skills. I am particularly interested in opportunities that allow me to contribute to innovative projects, where my skills and dedication can make a tangible impact.

CAPSTONE PROJECTS

IT SECURITY PLAN FOR THE LOCAL GOVERNMENT OF SAN ANTONIO, QUEZON USING THE DEFENSE-IN-DEPTH APPROACH

JANUARY 2023 – JANUARY 2024

Group Final Capstone Project
An IT Security Plan to establish a defense mechanism that safeguards the confidentiality, integrity, and availability of critical information within the Local Government of San Antonio Quezon by following the defense-in-depth framework which aims to create multiple layers of protection, mitigating potential risks and ensuring a resilient cybersecurity posture.

VULNERABILITIES IDENTIFICATION AND SECURITY SOLUTIONS FOR THE OFFICE OF THE MALVAR PUBLIC MARKET ADMINISTRATOR

JULY 2023

Group Capstone Project for Information Security Elective
Real-life application of Ethical Hacking methods using Nmap, Enum4linux, and Credential Harvester Attack through Social Engineering Kit.

MIKE: MY INTELLIGENT KNOWLEDGEABLE EXPLORER

Group Capstone Project for Technology Entrepreneurship
JULY 2023

A Tech Startup Business Plan: A travel recommendation and planning app that is set to reshape the way people explore and plan adventures which integrates all aspects of travel planning, offering users a seamless and personalized experience by providing tailored suggestions, real-time pricing information, and automated budget calculations, empowering travelers to make informed decisions and optimize their journeys.

ANIMO HUT NETWORK DESIGN - FLOOR 31

Capstone Project for IT Networking 1
NOVERMBER 2022
Proposal of a network design for a specific floor in the Animo Hut project including design materials and costing, the design topology done with Cisco Packet Tracer, and the testing and results.

ARLINGTON INDUSTRIES' PROPOSED AUTOMATED PAYROLL SYSTEM

JULY 2022

Group Capstone Project for Information Systems Analysis and Design
A case study to propose for an information system directed towards the creation of an automated payroll system to automate the payroll process and transform the current state of the company from doing things manually to making processes easier through automation. This project proposed a user interface design done through Adobe XD.

LEADERSHIP EXPERIENCES

Junior Philippine Computer Society – De La Salle Lipa Chapter (JPCS-DLSL)

4TH YEAR REPRESENTATIVE FOR IT

2023-PRESENT

* Facilitated organizational events including General Assembly and Acquaintance Party 2023, Enlistment Week 2023
* Created captions for online postings of the organization

De La Salle Lipa Student Government – College of Information Technology and Engineering

CLASS SECRETARY
2020 – 2021

* Attendance checking, posting announcements for the class, and recorded class meetings

ACHIEVEMENTS

UiPath Student Developer Champion — **SEPTEMBER 2023**
QUALIFIER
UiPath Community

Ten Outstanding Junior College Students (TOJCS) 2023 — **JULY 2023**
TOP 20 FINALIST
De La Salle Lipa - College Students Activities Office

Rising Leader Award — **JUNE 2023**
De La Salle Lipa - College Students Activities Office

Top Performing Student
Junior Philippine Computer Society - De La Salle Lipa Chapter (JPCS-DLSL)

* Networking 1 — **JUNE 2023**
* IT Elective 2 [Information Security]
* Applications Development and Emerging Technologies
* Computer Programming 1 — **SEPTEMBER 2021**

3–Minute Research Challenge — **FEBRUARY 2023**
3RD PLACER
De La Salle Lipa - Office of Research and Publications

Dean's Lister — **2020 – PRESENT**
De La Salle Lipa

Academic Achiever
Senior High School — **2018 – 2020**
Junior High School — **2014 – 2018**
La Consolacion College Tanauan

Student Volunteer Catechist Awardee — **2018 – 2020**
3 Years of Service
La Consolacion College Tanauan

La Consolacion College Tanauan

Online Publishing Journalism – Editorial [Filipino Category] — **SEPTEMBER 2019**
2ND PLACE
Division Schools Press Conference - Tanauan City

Scriptwriting and TV Broadcasting [English Category] — **OCTOBER 2017**
* 2ND PLACE
* BEST INFOMERCIAL
Division Schools Press Conference - Tanauan City

SEMINARS ATTENDED

ZOHO Creator Roadshow Code Camp — **JUNE 2023**
Junior Philippine Computer Society – DLSL Chapter, DEVCON Manila, and ZOHO Creator

Masterclass 101: Cloud Technology — **JUNE 2023**
Junior Philippine Computer Society – DLSL Chapter and Accenture

Code Camp: Flutter — **JUNE 2023**
Junior Philippine Computer Society – DLSL Chapter and DEVCON Manila

Masterclass of Junior Philippine Computer Society: Cloud and DevOps — **APRIL 2023**
Junior Philippine Computer Society – DLSL Chapter and DEVCON Manila

Understanding the Internet Of Things — **APRIL 2023**
Junior Philippine Computer Society – DLSL Chapter and DEVCON Manila

Collaborative Development with GitHub — **APRIL 2023**
Junior Philippine Computer Society – DLSL Chapter and DEVCON Manila

Campus DEVCON — **APRIL 2023**
Junior Philippine Computer Society – DLSL Chapter and DEVCON Manila

Starting your AI, Data Science, Machine Learning Career: Industry Opportunities and Advice — **MARCH 2023**
De La Salle Lipa

Gotta Catch 'Em All: Introduction to Digital Forensics — **MARCH 2023**
Junior Philippine Computer Society – Mapúa University Chapter

Organization Formation Program 2022: Surpassing the Crossroads Through Personified Hopes — **OCTOBER 2022**
College Students Activities Office - De La Salle Lipa

Mentoring Program SY 2021 – 2022 — **JULY 2022**
College Students Activities Office - De La Salle Lipa

Ethical Hacking 101 — **JUNE 2022**
DLSL College of Information Technology and Engineering

Tech Talks 2022: Into the Cyber World — **FEBRUARY 2022**
Junior Philippine Computer Society - National

Citation: Finding Possibilities in Expanding Technological Studies — **OCTOBER 2021**
Junior Philippine Computer Society - De La Salle Lipa Chapter (JPCS-DLSL)

Exploring Opportunities Future–Proof Your IT Career — **SEPTEMBER 2021**
Junior Philippine Computer Society - De La Salle Lipa Chapter (JPCS-DLSL)

OTHER AFFILIATION

Junior Philippine Computer Society – National
Member — **2022 – PRESENT**
